ACADEMIC INFORMATION AND REGULATIONS GOVERNING UNDER- GRADUATE DEGREE PROGRAMMES UNDER SEMESTER SYSTEM

SEMESTER SYSTEM

1.0 TITLE : The Academic Information and Regulations shall be called “University of Agricultural Sciences, Bangalore, Academic Information and Regulations Governing Under-graduate Degree Programmes Under Semester System.” These shall come into effect from the Academic year 2022-23

2.0 DEFINITIONS

2.1 Academic Year : An academic year is the period during which a cycle of study is completed. It shall consist of two semesters.

2.2 Semester

2.2.1 Semester Duration : Each semester shall consist of 115 working days including the examination days (95 full working days as instructional days and 20 full working days for practical examination and final theory external examination days).

2.3 Curricula : A series of courses designed to provide learning opportunities to meet the requirements for awarding a degree.

2.4 Course : A Course is a unit of instruction or segment of subject matter as specified in course calendar to be covered in a semester. It has a specified number, title and credits.

2.5 Credit Hours (Course Credits) : A measure of quantity of work done in a course. One credit represents one hour of lecture or two hours of laboratory or field work per week through out a semester.

2.6 Course Load per Semester : Normally, a student shall register for a minimum of 18 credits and a maximum of 26 credits. However,

the Minimum / Maximum course load may be exempted by the Dean concerned when the student has only a few courses to complete. In addition, the student shall be permitted to register a maximum of extra 13 credits as supplementary course credits. However, the total credits including supplementary course credits shall not exceed a maximum of 39 credits.

The supplementary course credits shall be registered along with the regular courses at the time of registration. The students are permitted to add supplementary courses till the end of 6 weeks from the start of the semester.

- 2.6 (a) Post final year UG students may register the courses along with I, II, III or IV year students or in combination with any of these batches, however, the total number of credit hours should not exceed 26 in a semester.
- 2.7 Grade Point of a Course: A measure of quality of work done in a course to meet the requirement in a semester. It is computed by dividing the percentage of marks obtained in a course by ten. It shall be expressed on a 10 point scale up to second decimal place.
- 2.8 Course Credit Point: A course credit point is a product of course credit and grade point secured by a student in a course which shall be expressed up to second decimal place.
- 2.9 Grade Point Average (GPA) : It is a measure of quality of work done in a semester. It is a quotient of the total course credit points secured by a student in various courses registered divided by the total course credits during that semester. It shall be expressed up to the second decimal place.
- 2.10 Cumulative Grade Point Average (CGPA) : It is the cumulative performance of a student in all the courses taken during a period covering all the preceding semesters. It is computed by dividing the total course credit points by the total number of credits completed up to the end of a specified semester. It shall be expressed up to the second decimal place.

- 2.11 Overall Grade Point Average (OGPA) : It is a measure of overall performance of a student on completion of the degree programme. It is computed by dividing the total number of course credit points earned by a student over the semesters by the total number of credit hours rounded off to the second decimal place.
- 2.12 To qualify for the degree, the students shall complete all the prescribed courses with an Overall Grade Point Average (OGPA) of not less than 5.00 out of 10.00.

ACADEMIC INFORMATION AND REGULATIONS GOVERNING UNDER-GRADUATE DEGREE PROGRAMMES UNDER SEMESTER SYSTEM

SEMESTER SYSTEM

1.0 TITLE : The Academic Information and Regulations shall be called “University of Agricultural Sciences, Bangalore, Academic Information and Regulations Governing Under-graduate Degree Programmes Under Semester System.” These shall come into effect from the Academic year 2022-23

2.0 DEFINITIONS

2.1 Academic Year : An academic year is the period during which a cycle of study is completed. It shall consist of two semesters.

2.2 Semester

2.2.1 Semester Duration : Each semester shall consist of 115 working days including the examination days (95 full working days as instructional days and 20 full working days for practical examination and final theory external examination days).

2.3 Curricula : A series of courses designed to provide learning opportunities to meet the requirements for awarding a degree.

2.4 Course : A Course is a unit of instruction or segment of subject matter as specified in course calendar to be covered in a semester. It has a specified number, title and credits.

2.5 Credit Hours (Course Credits) : A measure of quantity of work done in a course. One credit represents one hour of lecture or two hours of laboratory or field work per week through out a semester.

2.6 Course Load per Semester : Normally, a student shall register for a minimum of 18 credits and a maximum of 26 credits. However,

the Minimum / Maximum course load may be exempted by the Dean concerned when the student has only a few courses to complete. In addition, the student shall be permitted to register a maximum of extra 13 credits as supplementary course credits. However, the total credits including supplementary course credits shall not exceed a maximum of 39 credits.

The supplementary course credits shall be registered along with the regular courses at the time of registration. The students are permitted to add supplementary courses till the end of 6 weeks from the start of the semester.

- 2.6 (a) Post final year UG students may register the courses along with I, II, III or IV year students or in combination with any of these batches, however, the total number of credit hours should not exceed 26 in a semester.
- 2.7 Grade Point of a Course: A measure of quality of work done in a course to meet the requirement in a semester. It is computed by dividing the percentage of marks obtained in a course by ten. It shall be expressed on a 10 point scale up to second decimal place.
- 2.8 Course Credit Point: A course credit point is a product of course credit and grade point secured by a student in a course which shall be expressed up to second decimal place.
- 2.9 Grade Point Average (GPA) : It is a measure of quality of work done in a semester. It is a quotient of the total course credit points secured by a student in various courses registered divided by the total course credits during that semester. It shall be expressed up to the second decimal place.
- 2.10 Cumulative Grade Point Average (CGPA) : It is the cumulative performance of a student in all the courses taken during a period covering all the preceding semesters. It is computed by dividing the total course credit points by the total number of credits completed up to the end of a specified semester. It shall be expressed up to the second decimal place.

- 2.11 Overall Grade Point Average (OGPA) : It is a measure of overall performance of a student on completion of the degree programme. It is computed by dividing the total number of course credit points earned by a student over the semesters by the total number of credit hours rounded off to the second decimal place.
- 2.12 To qualify for the degree, the students shall complete all the prescribed courses with an Overall Grade Point Average (OGPA) of not less than 5.00 out of 10.00.
